

ELECTRIC VEHICLE - LEVEL 2 CHARGER

for Cooperative Members

\$250
ELECTRIC VEHICLE
LEVEL 2 CHARGER
REBATE

Hancock-Wood is offering rebates to cooperative members who install a new electric vehicle – level 2 (240 volt) charger in a home, office, or other building. This rebate is available only to members. Members must install the equipment in compliance with requirements between 01/01/2023, and 12/31/2023.

SPECIFIC REQUIREMENTS: The equipment must be new and certified by Underwriters Laboratories, Inc. (U.L. Listed); and Edison Testing Laboratories (ETL) Listed.

Level 2 charger must be wall or pedestal mounted. EV chargers that are portable, resold, rebuilt or received from warrant insurance claims are not eligible for a rebate.

All rebates are issued in the form of a check or a credit to the member's electric account. A maximum of two charging port rebates may be paid per residential member home.

A maximum of six charging port rebates may be paid per non-residential commercial building/facility. Contact our office at 800-445-4840 to schedule an inspection of your charger when installation is complete.

Members First!

HANCOCK-WOOD
ELECTRIC COOPERATIVE
A Touchstone Energy® Cooperative 

*Hancock-Wood Electric Cooperatives rebate on electric vehicle – level 2 charger is limited. The offer expires when funds are depleted on a first-come, first-served basis, or when the program is discontinued.
