

# \$100 Rebate

## FREEZER

Purchase an ENERGY STAR® freezer to save on your energy costs and receive a \$100 Hancock-Wood rebate.

Consult with your appliance dealer about removing any older, less energy-efficient freezer. We caution you against placing your new freezers in any area that may become hot in warmer weather, such as a garage. This could cause the new appliance to work harder to keep items cool and cause a significant increase in your energy bill.

### ELIGIBILITY:

- This rebate is available only to residential members of Hancock-Wood Electric Cooperative.
- Both chest or up-right freezers qualify for this rebate.
- Purchase must be a new ENERGY STAR® certified refrigerator, 10-30 cubic feet in size, and made between Jan. 1, 2026, and Dec. 31, 2026.

### EXPIRATION:

- Offer is available on a first-come, first-served basis and expires when rebate funds are depleted.

### HOW TO PARTICIPATE:

- Complete and submit the rebate form on the reverse side, according to the directions, and submit the specified purchase documentation.

DIRECTIONS:

A \$100 rebate will be issued upon completion of this form, along with a copy of your purchase receipt the ENERGY STAR® documentation to the address on the front.
