

10% Off Rebate

DIY Weatherization

The most cost-effective way of making your home more energy efficient and comfortable, often starts by making improvements to the building shell – adding or improving insulation and sealing hidden air leaks and drafts.

ELIGIBILITY:

- This rebate is available only to members of Hancock-Wood Electric Cooperative. Improvements must be installed on HWE members property.
- Must meet ENERGY STAR® requirements (see below).
- A savings of 10% off (materials only) your purchase with a maximum rebate of \$500.
- Must provide original receipt to get credit for purchase.

ELIGIBLE ITEMS:

- Insulation: Typical bulk insulation products qualify including batts, rolls, blow-in fibers, rigid boards, expanding spray and pour-in-place.
- Air sealing products: Typical air sealing products qualify including weather stripping, spray foam in can designed to air seal and house wrap.
- New windows, skylights and doors: Products must be ENERGY STAR® certified. Not every window, door or skylight in the home must be upgraded to qualify.

EXPIRATION:

- Offer is available on a first-come, first-served basis and expires when rebate funds are depleted.

HOW TO PARTICIPATE:

- Complete and submit the rebate form on the reverse side, according to the directions, and submit the specified purchase documentation.
